Dear Mr. Big Al Goodwin,

Thank you for performing at our corporate party and for giving our 250 guest a night to remember! Your show was hilarious and you were a pleasure to work with.

Our corporate party consisted of a room filled of our health care partners and community associates. Thank you for working with us to customize your act to suit the interests of our audience and to work in points from our theme of "better outcomes." Our attendees appreciated the thanks you gave them for working in the healthcare field and for the good they do for patients every day. Our guests loved your act on your ADD and we certainly appreciated you mentioning our company name, Care Advantage. Your level of professionalism is above the norm and we thank you for customizing your act to suit the needs of our guests.

Seeing the looks on our guest's faces as you were performing ensured us that this was going to be a successful party. The room was constantly filled with laughter and applause. Your act included a total entertainment experience from start to finish and concluded with our topic to wrap everything together. The audience could sense that you love being on stage which kept the energy up and our audience laughing the entire time.

It was a pleasure working with you and I would highly recommend you to our friends in the community for their corporate events.

Sincerely,

Mandy Hudson
Director of Community Relations
